hello

BEAUTIFUL, BUSY CELEBRANT

What if...

You could give yourself the gift of time?

Get sh*t done without any faff?

Have space for the things you love and make money while you sleep?

**want to
level up
BUT...**

What if...

Your couples could take ownership of their dream day?

Stay on task with personalised to-do lists and automated reminders? Easily access documents, questionnaires and files in one place?

DM you directly?

**...the systems you're using
just aren't ticking the boxes?**

what if

I TOLD YOU...

you could have it all?

*A business management
platform built specifically
for YOU, a busy celebrant
with a growing business.*

- ✓ Save time - automate, streamline, simplify backend management processes
- ✓ Communicate and collaborate directly with couples to create an exceptional client experience
- ✓ Everything in one place - available anywhere, any time!

MORE

Easy Booking

Secure bookings and get paid without lifting a finger - packages, contract with electronic signatures, invoice and payment in one place... so you can make money, even when you're offline!

To-Do List

Stay on track with step-by-step organisation of upcoming tasks and deadlines. Personalised for individual packages and couples, you'll have peace of mind with simple and stress-free planning!

Customisable Templates

Create documents and forms online or upload branded files - contracts, questionnaires, guides, and more - automatically shared with couples... less time spent, more productivity!

Task Automation

Automated workflows, schedules and reminders mean that you and your couples can plan with ease, knowing that you are up to date with deadlines.

Collaboration with Couples

Make your couples feel like VIPs by working together on a shared, interactive platform to plan the perfect ceremony. Dream team!

rave reviews

FROM CELEBRANTS

Kelsie

'My Celebrant' helps couples and celebrants work together to create dream ceremonies with ease. There is nothing else like this!

Debbie

'My Celebrant' is the best thing ever! Can't imagine life without it.

Anna

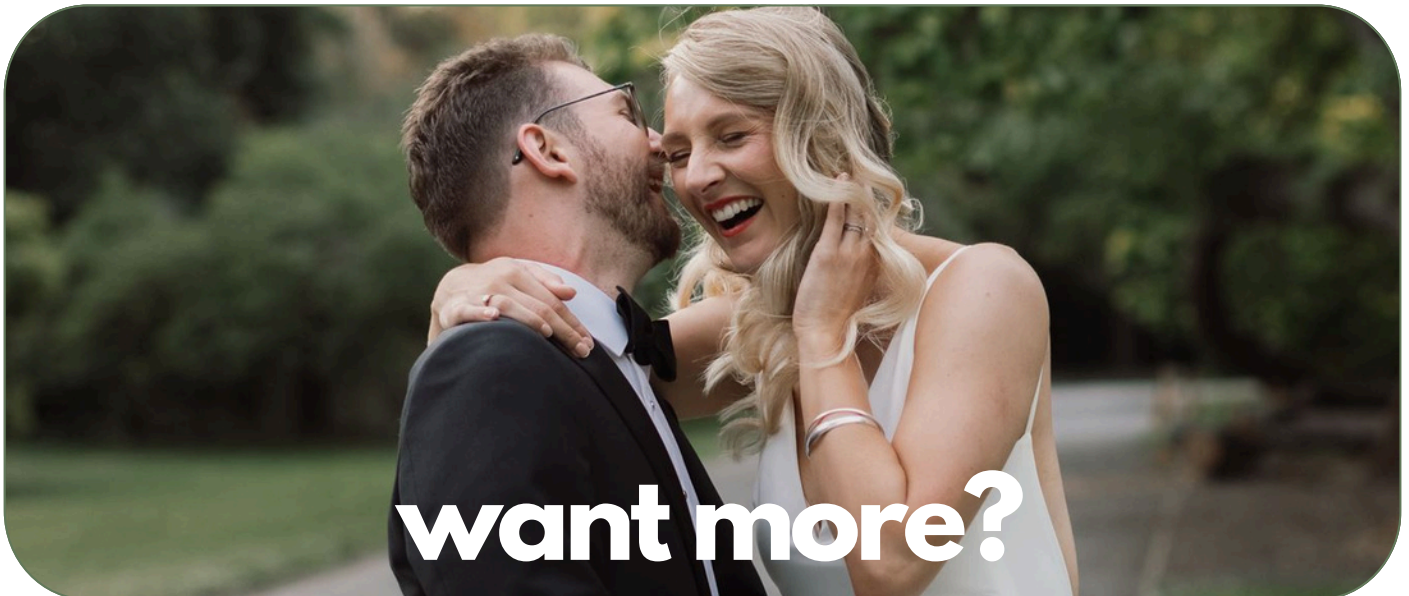

I love how everything is in one place. It makes things much more streamlined and perfectly professional. Would absolutely recommend it to every celebrant!

Kyra

As someone who wears a few different hats, being organised is very high on my priority list, and 'My Celebrant' makes that so easy.
